

Dear Winter Park Community Supporter,

We are excited for our sixth annual Restore the Roar and we hope for your continued support. Out of an abundance of caution and after careful consideration, we have made the decision to cancel our 2021 live event due to Covid. We are shifting to a virtual fundraising campaign to make sure we continue to support WPHS and Showalter Field in 2021. We are reaching out to all WPHS Alumni, WPHS Parents and our Winter Park Community Members to help support Winter Park High School!

Winter Park High School is large with almost 3400 students, so every dollar raised is important. We raised \$268,000 last year, while keeping administrative expenses low at 1%. These donations have enabled the WPHS Foundation to undertake projects, both large and small, that raise the bar for WPHS students. They continue to complete, or are in the process of completing, many projects to improve the high school experience for all students.

This year, we will continue to engage all WPHS organizations by providing the opportunity to direct 20% of any donation you make to a WPHS club, organization, or sports team of your choice. We hope you will consider supporting this virtual campaign, as you would if we were going to attend the live event. No donation is too small, and we would never be able to meet our fundraising goals without all of you.

We are thrilled to offer this benefit to the entire school population with the goal to build community and support all WPHS students. In addition to this benefit, the Foundation campaign is raising funds for the initiatives below, which impact the entire school:

- Band Instruments & Equipment (the students cannot share due to Covid)
- Educational Digital Programs & Tutoring Support
- Willie's Mart (WPHS's food pantry for students)
- Student Groups & Programs
- On-Campus Athletic Facility Upgrades
- Further Showalter Upgrades

Our goal is to make Winter Park High School a best-in-class facility for ALL students, teachers, staff and administration and we could not do it without your support. Please follow us on Facebook for all up-to-date information: @WinterParkHighSchoolFoundation or email me with any questions Daneencross@yahoo.com.
